Christine,

I see that there is a Commission agenda item for the next meeting to replace Ann Norton on the Chaires-Capitola Recreation Council due to her resignation. That reminded me of another request I need to make.

Ralph White has missed the last three Rec. Council meetings, and we have no way to contact him. All of his phone numbers have been disconnected, he no longer lives at his last known address, and his email address is no longer valid. He has made no effort to contact any of the members of the Rec. Council to provide any updated contact information or to explain his absences from meetings. All of these facts taken together tells me he is no longer interested or willing to serve on the Chaires-Capitola Recreation Council. We voted on this issue at our last Rec. Council meeting, and the remaining members were unanimous in their recommendation that I request a replacement for Ralph.

Please let me know if you need any other information. Mary is working on cleaning up the minutes from our last meeting, and our attendance records, and will send you the updated info soon.
